GENETICS TALKS

FEATURING LEADING FRENCH & INTERNATIONAL SCIENTISTS!

Through this initiative, the SFG aims at fostering scientific exchange between the French and international genetics communities and creating a regular forum for attending high-quality seminars, sharing knowledge and keeping up to date with the latest discoveries in the field. Each session will feature two talks, by senior and early-career researchers.

Every 3rd Monday of the month

2-3pm UTC+1

Online!
